*It is active participation in the association and commitment to the image and betterment of the industry that determines this award winner.*

## **GENERAL REQUIREMENTS:**

The competition is open to all Arizona Chapter AGC affiliate member firms in good standing with the chapter.

It is the contributions and commitment to AGC that determines the Affiliate of the Year Award winner(s). Nominations for this award may be for an affiliate member firm as a whole, or an individual active AGC participant employed by an affiliate member firm.

Nominations are limited to one per AGC member firm and the submitting firm must be an AGC member in good standing.

AGC affiliate members may nominate their own firm/individual firm member or any affiliate member that their firm deems deserving.

AGC Contractor members may nominate an affiliate member firm as a whole, or an individual active AGC participant employed by an affiliate member firm as an individual recipient for this award.

Contact Pattie Krampe at (602) 252-3926 if you have questions regarding your entry.
