

6-21-10

Building Arizona Since 1934

MEMO

Date: Current

To: Potential Heavy Equipment **Operator Apprentice**

From: Gary Townsley, Apprenticeship Director
Office: 602.274.8222

Subject: Credit for Previous **Operator** Work Experience and Related Training

Previous Work Experience:

Attached is a form that can be filled out if you have had prior work experience in heavy equipment operation. The Apprenticeship Committee can grant up to 50% Credit in any of the categories listed on page 2, up to a maximum total of 1000 Hours granted overall. All previous work experience **must be documented on a letter (with company letterhead)** and signed by a responsible party. This letter should include the hours you are applying for credit for and itemized in the following categories on page 2. This credit could allow you to complete the program sooner.

Related Training:

Attached is a form that can be filled out if you have had prior training that would apply. Make sure that you include any related trade training (Classroom) that is similar to those categories listed on page 3 & 4. It will be the sole discretion of the Apprenticeship Committee to analyze and grant credit accordingly. Related training hours **must be documented** by any of the following; Certificates, Transcripts, Diploma, Letters of completion (must be on company letterhead). This credit could allow you to complete the program sooner.

Make sure you sign and date page 4.

PREVIOUS CREDIT ANALYSIS FORM - OJT

DATE OF REQUEST: _____ **OCCUPATION:** Equipment Operator

6-21-10

NAME OF APPLICANT/APPRENTICE: _____

This is a self-analysis form, designed to allow potential apprentices to analyze their past work experience. It will also provide a guide to getting documentation needed to allow the Apprenticeship Committee to review your previous work experience records and to grant you credit for what you have done.

Note: The maximum the committee can allow is credit up to 1000 hours and no more than 50% in any one of the categories listed below. All credit granted must be supported by a letter with the company letterhead verifying your previous experience.

TOTAL PREVIOUS WORK EXPERIENCE: _____

PREVIOUS CREDIT ANALYSIS FORM – RELATED TRAINING

DATE OF REQUEST: _____ OCCUPATION: Equipment Operator

NAME OF APPLICANT/APPRENTICE: _____

This is a self-analysis form, designed to allow potential apprentices to analyze their past Related Training experience (Formal Class Room). It will also provide a guide to getting documentation needed to allow the Apprenticeship Committee to review your previous formal classroom records. The analysis will allow the committee to grant you credit for what you have completed.

Note: It will be the sole discretion of the Apprenticeship Committee to determine if a particular class is acceptable in meeting the criteria required. When filling out this form be specific in listing the title of the class in the area on the right below that matches what you have taken. All credit granted must be supported by a signed letter on the company letterhead verifying your previous experience.

		6-21-10

The above criteria listed needs to be supported by grade transcripts or certificates of completion with dates that are verifiable. Some courses may not match completely if so, put them where they fit a best match. The apprenticeship Committee will evaluate and make the best possible determination of what will apply.

I hereby certify that the items on this document are accurate to the best of my knowledge and I have attached all supporting certificates, transcripts and letters needed to verify both the OJT & Related training requirements.
